

Is hearing loss  
affecting your  
life?

## RESEARCH VOLUNTEERS NEEDED FOR A NATURAL TREATMENT FOR HEARING LOSS

Join a study of Aldosterone, a safe and reliable natural treatment for age-related hearing loss and potentially other types of hearing loss. Aldosterone is a natural compound made by the body every day. If you have not had hearing loss caused by exposure to loud noise or injury you may be eligible.

Study participation includes:

- Two medical visits
- Additional testing
- A value of \$2500-\$3000
- Cost to each participant at 5% of total, not to exceed \$150

Help us develop this safe and natural method that has the potential to improve the quality of life for millions of people with hearing loss, just like you!

**This is a limited-time offer to participate in a study to receive treatment for hearing loss at a very low cost to you.**
